Assistant Commissioner for Patents
Washington, D.C. 20231

Dear Sir:

RECEIVED
JAN 24 2001
TC 2800 MAIL ROOM

In accordance with applicant's duty of disclosure under 37 C.F.R. §1.56, we are enclosing form PTO-1449 listing information that may be material to the patentability of this application, filed February 25, 2000. We are also enclosing a copy of the following U.S. patent No. 5,684,566.

It is the applicant's belief that the above U.S. patent describe that which is claimed in the present invention.

It should be understood that attention has been called to the U.S. patent that has been deemed to be pertinent to the

claimed present invention. In concluding what was pertinent, the criteria employed was considered most appropriate in light of the invention shown in the present application. However, the Examiner or others may deem some other criteria to be just as appropriate or more appropriate. Therefore, the Examiner is respectfully urged to review the listed U.S. patent and to make the usual careful independent search for other prior art that may be pertinent.

Since this Supplemental Information Disclosure Statement is being filed before the first office action, no petition or fee is required.

Applicant respectfully requests favorable consideration and that this application be passed to allowance.

Respectfully submitted,
